**Dance Movements of the Mind**

by Sharilynn Battaglia

I was created out of emotion with words as my medium.
I am the key that unlocks the soul of the dreamer, or opens the door of harsh reality.
I can make you laugh.
I can make you cry.
I will give you something to believe in when you’ve nothing left inside.
I am a dove flying in the realms of your imagination, close enough to feel, yet just outside your grasp.
I am all things to all people, for no two people will read me in quite the same way.
I will attempt to express life’s inexpressible moments, and you will read me, love me, hate me, never quite understand me, for I am the vision of the inner eye.
