Morning

Cover Page Footnote

Appeared in the issue: November 1999.

Morning

When the sun is caught in dawn
And morning fog erases
The walls you have built around your heart
That's when my dew laden thoughts
Will enter your valley
Squeezing past your rigid mountain defense
My smoky hands touching every cavern
Covering each inch with ash
But if the sun should break through
My blanket of cooling mist
You'll find my diamonds, scattered
And shattered in your eyes

-- Kate McNamara
