## Our Planet

poem by  
Kevin English

The coal-burning ship nears its dock  
Another trip has passed  
How much longer will our planet last?

A man fills up his SUV  
Another tank of gas has passed  
How much longer will our plant last?

A smokestack spews its harmful toxins  
Another day at the factory has passed  
How much longer will our planet last?

“Trees”
