Nauseological Entities

If your ear is twitching stead'ly,
You can hardly hold a pipe,
Then you've gotten something deadly . . .
You're hysterical in type.

If you're frightened of your wife,
And you fear your boss as well,
You'll be a coward all your life
And an anxiety case as well.

If you're laughing at us all
And not trying to be a cynic,
Then have yourself a ball . . .
You're completely hebrephrenic.

If your friend, to make a living
Has to steal, connive and fight,
Call him with no misgiving
An idiot, and you'll be right.
