How Shall I Worship?

How Shall I Worship?

O God of gods
Out of all those claiming Your Holy Name
Who can be correct?
From those who heed the 10
To those of the fast and the date
From the adorers of Shiva
To the followers of the cross
Are any true? Are any real?
Is there but one way to please you?
Or do the wise speak of one truth in different ways?
Who will ever know and in knowing what is one's responsibility to the rest?
Do you require conversion?
So many questions I have for you
O Allah, O Brahman, O Adonai, O Christ!
In searching may I find
And in finding may I share
For though your existence is evident
Your preference for a worshiping body is not
For good and bad alike fall to all human kind
No religion is spared
To know of your love is easy
To find the appropriate way to love you is not
Thank you for all you have given me and for all I have yet to give you
