## **A River Flows**

Rivers of life that swell from within  
Submit yourself and be kissed by Him  
Enter His arms of mercy and grace  
Be filled with his glory in your secret place  
Receive him, I beg you, deny him no more  
For he covets your praise, yes its praise he adores  
From the time before time, from then until now  
He's desired to love you and reveal to you how  
To walk in his power of courage and faith  
To delve deeper in holiness, to wholly partake  
Of wisdom and joy, of blessings divine  
Of favor manifested in quenched areas of your life  
Oh rivers of praise that flow from the heart  
Bare thy soul, surrender and shun him not  
Oh rivers of reverence arise and sing  
Holy, Holy, Holy is the One True King  
Blessings and honor and glory and praise  
Be unto the Lamb, the Ancient of Days  
I yield to you my breath and the confines of my soul  
I surrender to you my all and every thing I hold  
In you I will trust, in you I will stay  
I'll rest on the promises your word conveys

That neither life, nor death, nor principality  
Can deter or hinder the destiny you have for me  
Yes, in you I will trust, in you do I boast  
The King of Glory, the Maker of Heaven's Hosts  
Oh rivers of life that cry out from within  
Prostrate thyself and partake of Him
