## Just A Little Off The Sides, Please

### Too Hot for Comfort

I wore a suit made out of ice  
One sunny summer day;  
What happened then was not too nice,  
It even hurts to say.

As sunshine melted off my suit  
Leaving me quite nude,  
An arresting cop said, "think you're cute?"  
Five years for being lewd."

—RICK TADDEO

and all the answer people  
hold their meetings  
and all the answer people  
give five-minute speeches  
They're almost there, you know  
Pretty soon they'll have it all  
Nicely statestreeted in their libraries,  
Notebooks, microfilm, 8x5 cards, and  
8x5 memory banks  
and all the answer people  
froggiesmile.

and all the question people  
weep but mostly laugh  
and all the question people  
don't care if they forget  
Because or not because they're  
Ignorant, even of their ignorance.
