TO ANDY

(Be always love, a part of me)

Within your gentle arms
I became with you
That, which had so long
Been hidden somewhere
Inside me.

Words—I love you.
How many thousands
Of times have I said this?
Yet every time
I feel it become us
A little more.

I know now
Because there is you,
Because there is us.
One together
Even apart

I want your eyes only.
If they are with me always
Then we are eternal.
But when another
Becomes their love,
My half of us shall die.
