I'M GLAD I'M NOT IMMORTAL

i'm glad i'm not immortal.
i wouldn't know what to do
with my time, if i was.

besides, isn't dying what
makes live so precious?
it's the risk that makes
this game so interesting.

if i could live forever
i think i would spend
my first thousand years in bed.

i could pass
the next few centuries
looking at my tongue
in the bathroom mirror
and wishing i was someone else
for eternity.

then i'd probably end up
back in my bed
with the alarm set
to wake me up
at the millennium . . .

When you meet the
Man with the truth,
Don't listen
to a word of it.
