## A Swallow In Lonely Flight...

### Cover Page Footnote

Appeared in the issue: 1973.

A swallow in lonely flight  
Brushes the air with tiny wings  
In mute joy her heart sings  
To herald the night

Tiny cups on slender stems  
Raised to touch A toast  
To warm spring days  
And gentle summer nights  
Once again around A toast  
To warm caressing wind  
And gentle misty rain

Forever 'til the sunshine  
Forever 'til the dawn  
Forever 'til the morning's come  
And darkness heard's gone
