## I Think I Wished To Live Simply...

### Cover Page Footnote

Appeared in the issue: 1973.

I think I wished to live simply  
let my feet, like child's lips  
draw nourishment  
but somehow  
concrete is all that is here  
and looks determines sweet  
or words more appropriate.  
In time  
walking will be memory  
of what should have been desired.  
I think I wanted to live simply  
and I know I wish to walk

— Bernie Kiel
