Word Witchery

*So swiftly
The threshing
Flies- flutters
Briefly: birds
Wind winds
Into inches.
Soft spirals
Of odors
Float freely
Over orchards.
Plentiful peaches
Burden branches
Of outstretched
Trees. The
Autumn allows
Life's lingering;
Wonderingly, winter
Comes calling
Sending snow
In ivory
White wetness.
Spring sings
Green glory
Lilting leaves
Inside inviting
Arbor's arms.
Summer sails
Beautiful boats
Slim sloops-
Lengthens lovely
Evenings every
Day. Doubting
Such seasons
Makes many
People poor.*

TRACY DARRAH
