Sector

One special trait that each possess to share
Construct the notes that flow as harmony
Their perfect style and a fabulous flair
Combine to emanate an energy.

Rehearse the image they must all reflect
Blending each other's talents, strengths and flaws
Over, over, again, once more, perfect
Release the sound, the lights, extract applause.

The air disturbed does shake with their delight
Upon their lips the feelings they outpour
Now lost inside a gaze without respite
Senses become reality no more.

The twilight leaves the stage a silent peace
Within our hearts the melody shan't cease.
