SARAH BALLINGER

Wishful Thinking

it starts with a smile
but does it ever end that way?

look at those eyes
such a deep enveloping color
is that what you think - it's just the eyes

he pushes his hair from his eyes
his green eyes
his flitting eyes

he talks
not to a thing but to me
a person

i can look deep into those eyes
and see...
What do i see...
i know What it is

yet do i really want to see It
it's just a matter of time before we depart
maybe never to see each other again
left only to wishful thinking

life is like that
but can it ever end with a smile?
