## My Dream

A dream is a wish your heart makes  
to find true happiness  
When I fall asleep at night  
I think of all good things  
And my heart goes to work.

In my dreams I see my life  
the way I want  
Sometimes I see things I don't  
want or things that are  
inevitable to happen

But through it all  
the dream I feel most  
comfortable and alive in  
is where I am with a  
warm, gentle heart  
that loves me for me and  
nothing else...  
That dream is you!  
I love you "faithfully"
