My Dream

A dream is a wish your heart makes
to find true happiness
When I fall asleep at night
I think of all good things
And my heart goes to work.

In my dreams I see my life
the way I want
Sometimes I see things I don't
want or things that are
inevitable to happen

But through it all
the dream I feel most
comfortable and alive in
is where I am with a
warm, gentle heart
that loves me for me and
nothing else...
That dream is you!
I love you "faithfully"
