Untitled

Today I saw your smile
in my mind's eye
and couldn't help but smile too.
I remember when I could make you smile,
like it was yesterday
Your eyes would twinkle,
like you had a secret you couldn't wait to tell
Your face would light up
like you hadn't seen me in years.
Today as I remember this,
I want to cry
because I haven't seen you smile in a while.
Your smile brought so much happiness to me,
it cheered me up when I was feeling blue,
helped me enjoy like so much more when I was with you,
and made me feel special
the way no one else could.
Someday soon I would like to see your smile
until then I know I have to be patient,
but at times I wish I could see it now
