Union of Souls
-John P. Parungao

We share a bond
one of friendship and love
Stronger than mere physical union
we share dreams, hopes, and fears
and though we may soon part,
you will never truly leave me
for even after you are gone
I carry with me
like precious treasure
memories of our adventures together
words of praise and of comfort
to calm me in times of doubt or crisis
These things will remain in my heart
even after we part
so I am now not who I was
but who I am because of you
