Lazy, Crazy Wind

I suppose spring is here
my thoughts have changed w/ the weather
no more
 Sadness
 And
 Dismay
a new day has come
the wind blew it in
 --and I caught it
right out of mid air and
planted it in the ground and
kicked it around and
gave it to others
 --my sisters and brothers
then tatoo'd it to my skull w/ acid ink
so I'd make sure it would sink
 it has and I love it
 --look, there's a dove it's
flying so low to the ground
 --and those mighty wings
their motion is blowing everything around
turning up the soil and forming dust clouds
the sand settles and creates mirrors
which reflect the sunlight
back to the clouds which spill rain
 and cause everything to explode

A biological Jack-in-the-Box w/ God at the wheel.
