## Sand

### Cover Page Footnote

Appeared in the issue: February 1997.

**Sand**

My azure world is peppermint. Nothing in a secret.  
All is rosy in my sunroom. No one here to scare me.  
The gold is fading from my hair. I gave away that liquorice.  
A white light in my pocket. I don't care if you lose it.  
It's orange happy hour once again. We spill Hawaii on the pavement.  
That silver tree is moving. We can't go to touch it.  
Your black hair is dripping. Time to try and dry it.  
Our yellow night is starting. Let's go out to find it.
