## **Real World 101**

I didn't think that it would end,  
another twist in this winding bend.  
Four years in the blink of an eye,  
I never bothered asking why.  
Good times, great friends I'll leave behind,  
the rest of my path will now unwind.  
A potential employer called yesterday,  
for a moment my worries have gone away.  
Then I open my mail and let out a moan,  
they really expect me to pay back those loans?
