ESCAPE FOREVER

Run from the dreams
 little girl little girl
I know that they hurt you so much
Run through the forest, but watch out for the thorns
They will prick you and soon after, attack

An attack on your mind
 little girl little girl
Trying to break you and sail you downstream
An attack aimed to kill, of your blood they want more
Your emotions so pure and so clean

But don't turn around
 little girl little girl
If you do, you will end up like them
Run from the pain, from the hurt in your brain
And one day, it all, you'll forget
