you climb into another idea of
what it means to be you
and I'm supposed to follow
I'm not supposed to mind

don't me where the sun comes through the sky
I'll show you where the rain gets in

we lie side by side and I cover myself with you
I was wide eyed and full
but lately I am always banging apologies against your ears

we keep going on and on
crowded like city buses
rolling our tongues and dreams
to the beat of our noisy hearts.
