Out amongst the evergreens
between reality and the never-seen
Meaning derived from perception disguised
and all else in existence seems to falter
Emerald pyramids tower toward the vortex
enveloping all in an aura of unrestraint
Glowing guidance followed to fruition
inviting us in with welcoming embrace
Release the burdens that shackle the mind
and the truth coalesces with intricate design
Framework disbanded, it leaks beyond the boundaries
assembling into a shape so familiar for all
Wide-eyed revelation wavers...
dispersed against a backdrop of azure
If only it had endured...if only it could be summoned again...
For now this transcendence unwillingly ends
