Christ in the Wisdom of a Friend
*** Christ in the Wisdom of a Friend

Tonight God held me in the words of a man
who knows not what God is but that he is
His words reflected Christ in clearer light
Than those which flow from the mouths of preachers
like water from an habitual sink
Gospels were extinct until now!
My friend (who is friends with Buddha)
Wrote his truths in metaphor and his life in symbols
And the truth overwhelms me that God is alive in doubt
and alive in frustrations and understanding
That my God was present in his understanding of what the Church ought to be
may not be his own understanding
