Vision 2020

Give me more songs and fewer competitions
More romance and less sex
More power and fewer secrets
More liberty and fewer countries
More teaching and less information
More classrooms and less prison cells
More fables and fewer legends
More curiosity and less knowledge
More beauty and less art
More communication and fewer facts
More solar systems and less land owners
More atoms and fewer bombs
More cells and less disease
More time and less horizons
More health and fewer warnings
More creativity and less garbage
More playgrounds and fewer museums
More chemistry and fewer drugs
More remembering and less postcards
More forgiveness and less perfection
More worship and less religion
More action and less theory
More compassion and less justice
