I'M GLAD I'M NOT IMMORTAL

i'm glad i'm not immortal.
i wouldn't know what to do
with my time, if i was.

besides, isn't dying what
makes live so precious?
it's the risk that makes
this game so interesting.

if i could live forever
i think i would spend
my first thousand years in bed.

i could pass
the next few centuries
looking at my tongue
in the bathroom mirror
and wishing i was someone else
for eternity.

then i'd probably end up
back in my bed
with the alarm set
to wake me up
at the millennium ...

When you meet the
Man with the truth,
Don't listen
to a word of it.
