The Play Of Life

Cover Page Footnote

This poem is available in The Angle: https://fisherpub.sjfc.edu/angle/vol1992/iss1/6
My life beckons me to change
As the pages in the back of my mind
Once memorized
Are forgotten

I must relearn my lines
Again
For my role in the production
Has been edited
As everything is through time.

Five years ago I was a child
Five years from now I could be married.

The person I am today
Did not exist yesterday
And will be dead tomorrow

Then who am I?
I do not know.

Probably won't,
Until the last day of my show.
