Introducing...
Your new home, your new life,
the state of mind;
it's part of you, it's everything,
but it's locked up, trapped in a useless maze.
You created it too.
Locked up, can not come up for air,
smothering, choking, exits and entrances are
becoming extinct.

My world cannot grow
with a mind and a body
tightened in a cramped jail cell,
Breathe.

Take it away, get it out of here.
It doesn't belong to me.
Is it a gift?

What did we achieve?
What did we do wrong?
I am naive.
Are we just non-believers?
Do you know what time it is?
I do.

Everything happens for a reason, or
so they say.
Explain this-
Explain pain and suffering
heartache, misery, and
Explain feeling lonely, down, useless
and unappreciated and
Explain feeling sick, ugly, tired
and lost.
Explain that to us, and maybe
they would bring the key and
open these cell doors.

We need to learn how to color
outside the lines.
