A Day in the Mind of a Child

A room full of preschoolers
with nothing else to do
but to bark like dogs
and howl too.

When the children were told
"Please find something else to play"
They looked around
with much dismay.

Ingenuity won, amongst
the girls and the boys
despite practicality
from a room full of toys.

Suddenly a child
wide eyed and true
looked up from his chair
and said "I know what to do!"

Just when you thought
that was that...
the child queried
"Can we be cats?"
