## DEMOCRATS

They are the rain on the party  
And when it rains it pours  
There is a downpour of this liberal  
political news  
Too bad none of us  
have an umbrella.

It affects everyone under the sky and  
No matter where you go  
You see Howard and John and Johnny and  
Little Dennis the Menace.

These low hanging cumuli hope to flood  
the incumbancy with their acidic drops  
and muddy waters  
that come not from the heavens  
but from somewhere transcendent of this world.

If it rains hard enough  
and long enough  
the dam will break, humanity  
as we know it will be  
destroyed.

The Grand Ol' Party will need an ark,  
and pray to their Gods that Junior  
has not spent four years  
building the Titanic.

Yet Dubya is confident that when  
the rainy season ceases in novemeber, the  
Rain will turn to ice.  
Frozen  
No more rain until thaw, when the cycle  
Will begin yet again.
